We are now getting our head above the water line on bringing the town onboard. If you would like to meet to discuss Warren Station or any other topic, our Interim Manager, Gary Martinez and I are available to get together. We would suggest meeting on Thursday afternoon, Apr 4th or Friday morning Apr 5th. The time would be up to you.
We would also give you an update of where we are in transitioning services from Summit County.
Ken

It's a little early to be having the discussion. Our focus right now is on Start up and beginning work as a Town, We are up to our ears in start up, but if you would like to meet, I could meet in the afternoon before Feb 14th or Feb 26 or 27. Other than that I'm booked solid for the rest of Feb.

Hi all,

I am attempting to schedule a meeting between KNC, Keystone Resort, and the Town of Keystone on the subject of Warren Station. I have booked our conference room for three different slots depending on Chris' schedule. Please reply with what works best for you so we can finalize the invite.

Ken, could you please provide Gary Marteniz's email so that he may be included in the meeting.

Please choose all the times that work for you so I can narrow it down:

- Thursday 2/15 11am-12pm
- Friday 2/16 12:30pm-1:30pm
- Friday 2/16 2pm-3pm

Thanks,
Morgan
